## For Immediate Release

### Teen Drinking and Driving Prevention Program at Arroyo Valley High School

A special presentation for seniors to raise awareness about the dangers and consequences of underage drinking and driving is scheduled for April 24, 2007, at Arroyo Valley High School. The San Bernardino County Friday Night Live Program and the California Highway Patrol are sponsoring the event, ~~Don't~~ Let Your Toe Get Tagged . Drive and Ride Sober+for the senior class. Seniors will also participate in weekly activities on campus leading up to prom and graduation festivities as a reminder to party safe and to always buckle-up. The organizers of this event are hoping to reduce the number of teen fatalities and injuries that frequently occur at this time of the year due to underage drinking and driving. The event will also feature special presentations by Think First and Mothers Against Drunk Driving. Funding for this program was provided by a grant from the California Office of Traffic Safety, through the California Friday Night Live Partnership. For more information call (909) 387-6623.
